

**Stephanie Jallen Paralympic Fund 3rd Annual Fundraiser
June 1st, 2008**

The run consisted of 326 motorcycles. It was a beautiful day and the run was flawless thanks to all of our volunteers. Without their hard work, none of this would have been possible. Thank you Bob Wineman for working hard to help coordinate the entire event!

Luzerne County Sheriff's Department Assisted with Fundraiser. The Sheriff and staff along with volunteer members of the sheriff's department motorcycle led the bike run
