Effective September 1, 2008, the Luzerne County Sheriff's Department, under the direction of Sheriff Michael A. Savokinas will be providing the transportation of all incarcerated inmates from the Luzerne County Correctional Facility to Central Court located at the Thomas C. Thomas Building 90 E Union St Wilkes Barre, PA 18701

In an effort to assist other law enforcement agencies in alleviating costs and easing budget constraints, we are pleased to announce this service and anticipate that this change will be a welcomed one by our colleagues. All prisoners will be transported from the Luzerne County Correctional Facility in the morning of each court day and held in the Central Court, under the supervision of the Luzerne County Sheriff's Department Deputies. At the appointed time for each inmates hearing, the inmate will be escorted to the courtroom by the arresting agency and returned after the conclusion of the hearing. By making this change, we anticipate that the transportation of each inmate will be more efficient and more cost effective to your agency.

The Luzerne County Sheriff's Department is dedicated to building lasting relationships within the law enforcement community. Our goal is to be able to assist all law enforcement agencies and promote a productive liaison while having a positive impact on our community. We look forward to assisting and providing you with any services we may be able to offer to your department in the future. If you have any concerns about this transition, or if we can be of any further assistance, please feel free to contact our office.

Fraternally yours,
