 know how county taxes keep rising and road paving/repairs are virtually non-existent for well over a decade. What does it cost to circle potholes and then never return to fix anything?
 What percentage of work crew time is spent in Hollenback Township verses Dorrance and Mt. Top? Monies in vs monies out and for exactly what, who, where and when from 2002-2017.
 Who pays for my property damage due to lack of road maintenance/road water eroding my

property and costly automotive repairs also??
