RTK Request #18-48

Dear Ms. Weaver:

Thank you for writing to Luzerne County with your request for information pursuant to the Pennsylvania Right-To-Know law. My email is Jackie.Carroll@luzernecounty.org.

On March 9, 2018, the Luzerne County Office of Law received a request for documents from you described in the attached Right to Know request. We requested an extension of time to reply to April 12, 2018.

Your request is granted and denied for the following reasons pursuant to the Pennsylvania Right to Know Law ("RTKL"): Your request is granted in that you are being provided the Notices of Payment County Liquid Fuels 2010 to 2017 as well as the current Day Detail Reports – ACH Credit from 2010 to 2017.

The remainder of your request is denied in that Section 705 of the Right to Know Law states that "when responding to a request for access, an agency shall not be required to create a record which does not currently exist or to compile, maintain, format or organize a record in a manner in which the agency does not currently compile, maintain, format or organize the record."

Your request is also denied in that the Pennsylvania Right to Know Law governs the release of public records and not answering questions. The Law defines a public record as "information, regardless of physical form or characteristics, that documents a transaction or activity of an agency and that is created, received or retained pursuant to law or in connection with a transaction, business or activity of the agency. The term includes a document, paper, letter, map, book, tape, photograph, film or sound recording, information stored or maintained electronically and in data – processed or image – processed document." Section 101 of the RTKL.

You have a right to appeal this denial of information in writing to Office of Open Records, Commonwealth Keystone building, 400 North Street, 4<sup>th</sup> Floor, Harrisburg, PA 17120.

If you choose to file an appeal for any reason, you must do so within 15 business days of the mailing date of the agency's response. Section 1101. If you have further questions, please contact me. Please be advised this correspondence will serve to close this request with our office as permitted by law.

Very truly yours,

RECORDS REQUESTED - Requesters MUST specify the document(s) sought. Please use additional pages if necessary. know how county taxes keep rising and road paving/repairs are virtually non-existent for well over a decade. What does it cost to circle potholes and then never return to fix anything? What percentage of work crew time is spent in Hollenback Township verses Dorrance and Mt. Top? Monies in vs monies out and for exactly what, who, where and when from 2002-2017. Who pays for my property damage due to lack of road maintenance/road water eroding my

property and costly automotive repairs also??
