Thank you for writing to Luzerne County with your requests for information pursuant to the Pennsylvania Right-To-Know Law.

Your requests for information have been received and are under review. The Pennsylvania Right-To-Know Law requires a response within five (5) business days; however, we require a thirty (30) day extension for the following reason(s):

- (1) the request for access requires redaction of a record in accordance with section 706;
- (2) the request for access requires the retrieval of a record stored in a remote location;
- (3) a timely response to the request for access cannot be accomplished due to bona fide and specified staffing limitations;
- (4) a legal review is necessary to determine whether the record is a record subject to access under this act;
- (5) the requester has not complied with the agency's policies regarding access to records;
- (6) the requester refuses to pay applicable fees authorized by this act; or
- (7) the extent or nature of the request precludes a response within the required time period.

You should expect a response to your requests no later than May 30, 3018.
