Public Comment from Walter and Robyn Kochan of Dallas Twp. for 1/24/2023 Luzerne County Council Meeting to be read audibly and entered into the record

AGENDA ITEM

6:01 PM Motions Regarding Policies and Procedures for the Assessment and Evaluation of ARPA Fund Distribution

\$300,000 is a hefty waste of taxpayer money to contract for assistance in distributing these funds when the Federal Government already provided guidance for the distribution which included households. Entering this 3rd party contract indicates Council doesn't want to be accountable perhaps because it doesn't know what it is doing.

It's not that difficult to provide taxpayers with a credit for storm water fees when names and addresses already exist. If you do not vote to support this, and offer a helping hand to ALL County taxpayers, we want to know why. And we will ensure voters know this at re-election time.
