To the Council of Luzerne County:

I presented to you my perception of a different means of disposal of refuse and the benefits of an incinerator. If it entertains the Council to review this site and how Lancaster County delivers for the region in South Central Pa.

<https://www.lcswma.org/facilities/lancaster-waste-to-energy-facility/> it has very positive benefits and should be considered for Luzerne County residence. I will be addressing Council and the public who are on the conference call during Public Comments.

Thank You,

Ronald D Knapp
