Yes, it sounds like I will have a few minutes at the beginning of the 5:30 meeting to present our County Owned Properties application

(<https://luzernegis.maps.arcgis.com/apps/instant/attachmentviewer/index.html?appid=bef3f1447de2443688082fe3d67efc28>) and will likely also have a follow-up Q&A with the committee members in regards to the application, and the several offers we've received on properties from the list.
