Linda,

Would like to change 2.08A to state a majority, instead of majority plus one for inquiries and investigations.

Subject: draft Administrative Code for work session

Council:

Attached is a draft of the Administrative Code with amendments as proposed by the Code Review Committee as well as some individual council members during the past week. Please review for discussion on the CONTENT of the draft.

The Organizational Chart at the end will be revised when the amendments to the Code are complete, and the formatting of the entire document will also take place at that time.
