Dear Madam Chair Radle, Vice-Chair Lombardo and council members,

Please let the residents of Luzerne County know when a revised list of road projects will be submitted to the Redevelopment Authority for the loan of 54.9 million dollars. This loan is backed by all residents' tax revenue and will deny the entire county access to approximately 75 million dollars over the next 25 years. The majority of residents are expecting this money to be used in a 5-10 year phased approach to address drainage issues and replace all 120+ miles of county roadway. **We *do not* agree to this loan or funding for one bridge.**

At this time I would ask that the remainder of my three minutes be used to hear council members ***answer this question.***
