Hello All,

Wright Township would appreciate if our letter could be entered into the meeting record for tonight. Letter is attached and is also pasted into the email body.

Dear Council,

The Wright Township Board of Supervisors requests that prior to awarding American Rescue Plan, grant funds to the list recommended by Booth Associates that Luzerne County Council consider reaching out to applicants to see if requests for funding can be modified so that rather than awarding large grant amounts to a few applicants, more applicants can be considered to receive funding.

Wright Township feels we have submitted a very competitive application for stormwater improvements that are much needed for our community as well as commuters and will benefit the Commonwealth of PA by eliminating a stormwater issue on Route 309. We would appreciate your reconsideration of our project and even a partial funding of our project would be of great benefit to the Mountain Top area. Please feel free to reach out to us at 570-474-9067 to discuss our project and need for funding.

Thank you.
