To All Council Members:

Regarding Civil/Criminal Asset Forfeiture - the money and assets seized can be allocated to various non-profits agencies within the county and Ruth's Place to be distributed to those in the county who need it most.

Between various grants available and seized assets, there is enough funding to assist the county's vulnerable citizens.

If seized assets are used to fund future drug raids, the money can be divided between non-profits and Law Enforcement if necessary.

Using this money in combination with grant funding would help alleviate excess taxes.

Thank you for your time,

Laura Pinero
