Luzerne County Council Members:

Warren F Faust resident of Wilkes-Barre TWP and President of the Northeast PA Building and Construction Trades Council.

I email you today to remind Council to have Developers reach out and work with the Northeast PA Building Trades to ensure Local Labor is utilized during the construction phase of their projects when receiving any sort of tax forgiveness / abatement etc.

It is the citizens of Luzerene county that burden the tax breaks you may offer and they should have the afforded opportunity to work on the projects that benefit from those tax breaks / incentives.

I have had the opportunity to speak with Jeff Randolph from Bluecup Ventures LLC. today, and we had a positive conversation as I shared my above thoughts with him on this LERTA. I believe if we all work together we can get as many Luzerne County Construction Workers as possible on their upcoming Projects.

Jeff and I agreed to keep the communication lines open as he progresses with the construction phase of their anticipated projects.

I appreciate your time tonight and look forward to working together with all parties involved to Build a Better Northeast PA while utilizing Our Local Skilled Labor.

Thank You Warren F Faust
