As a member of this county's constituents I am writing you to vote yes on the proposed 2nd ammendment county bill. I know that a great number of the county's residents are in favor of such a bill. My family has resided in this county for several generations. We love this county and only want the best for it. Many of the residents hunt here yes, but many of these hunters are also recreational shooters. Not only that, but many of our non hunting residents are recreational shooters. We want our right to pursue happiness in our own way to be protected. We also want our rights to protect ourselves and our homes preserved. By establishing our county as a 2nd ammendment sanctuary we are preserving the liberties of its residents and sending a message to state legislators that we do not want our 2nd ammendment rights to be infringed on. Our own state constitution says "The right of the citizens to bear arms in defense of themselves and the State shall not be questioned."

Please vote yes so we can show that we believe in the rights that our many founding fathers gave us. Thank you for your time.

Christopher Bogdon

Life long Luzerne county resident.
