Hello everyone

My name is Richard (Rick) Davis from Black Creek Twp. I strongly support and urge the Council to Adopt a 2nd Amendment Sanctuary Resolution, or Ordinance Stating that you the Council of Luzerne County are with your constituents, and back them by showing your support to Preserve, and Protect our Constitutional Rights.

Please join the many Counties, and Townships in Pa, and adopt a Resolution declaring Luzerne County a 2nd Amendment Sanctuary.

We have discussed it at our last 2 Black Creek Twp. meetings, and will most like move forward with it at our next meeting. We have a Draft Resolution ready to be voted on.

At our last meeting many residents wanted to know if the County Council, was showing any interest in following, the growing numbers of 2A Sanctuaries across our Country, along with the Counties in Pa. that have adopted it.

As a very concerned citizen of Luzerne County, I would like to see you the Council Members of Luzerne County that we Elected, make a Statement that you are going to help protect our Constitutional Rights from a Tyrannical Government.

Thank You Richard (Rick) Davis

I sure hope you give me some good news to take to our June Township Meeting, the 2A Sanctuary Resolution is on our Agenda
