Good afternoon,

I am Bradley Lester and I am recently a new resident of Luzerne County (Sugar Notch) and I support our county becoming a Second Amendment Sanctuary. This right is mentioned second, only after the rights guaranteed under the First Amendment and uses unequivocal language of "shall not be infringed" in addition our state constitution uses just as unequivocal language stating that our right to keep and bear arms shall never be questioned.

While I recognize that this is largely symbolic, this would send a clear message to both Harrisburg and Washington that the people of this county think all Americans, regardless of race, gender, sexuality, or religion have the right to defend themselves, both personally, and our Commonwealth and Nation against all enemies, foreign and domestic.

Thank you,

Bradley Lester
