I am a resident of Dallas Twp. and my name is Walter Kochan. I am formally requesting Luzerne County Council to eliminate ALL voting drop boxes, and beginning with the November 2022 election. As proven by the problems already experienced with drop boxes in Luzerne Country, this voting option hinders election integrity as well as increases unnecessary expense to the taxpayer to monitor drop boxes. There is absolutely NO valid reason to have voting drop boxes when other viable options are available such as absentee ballots which have worked well in the past.
