To whom it may concern:

In lieu of tonight's meeting concerning mail in voting and replacement or no drop boxes for voters who mail in their ballots I would suggest that all of the council should vote NO to these outrageous proposals.

We consider this destroying our right to vote. All this is doing is helping all the Trump Republicans take away our democracy so they can overrun the freedom we now have.

Use your heads for something CONSTRUCTIVE, instead of something DESTRUCTIVE. Trumpism is DESTRUCTIVE only. Can't you Trumpsters have an agenda instead of just tearing down the democratic way of life? GET SMART and start thinking for yourselves and not the bully pulpit.

Sincerely,  
Joseph & Elaine Kalafut
