Honorable Members of Luzerne County Council.

Please support Harry Haas' motion to restore the Homestead Exemption to the taxpayers of Luzerne County using American Recovery Money.

The goal of this money is for the recovery of our economy and what better way to do that than to put it in the hands of the public so they may spend it on what is worthwhile.

Too much of this money has too many strings attached if it is to be spent by governments, instead of by citizens.

This money is being created and it is important to get it to the public as soon as possible before inflation devalues it

Please vote to reinstate the Homestead exemption on July 27, 2021.

Respectively submitted,

Frank Polidora M.D.
