Please support the restoration of the Homestead Exemption to the taxpayers of Luzerne County by using some of the American Recovery money that the County has received.

Luzerne County has many elderly senior citizens that are retired and living on fixed incomes.. The Homestead Exemption was a large financial help to these citizens of the County.

We both have been lifelong residents, property owners, and taxpayers of Luzerne County for over eight decades and fully understand how helpful this exemption is to our limited budget.

Thank you for your consideration to this important matter.
