Dear Luzerne County Council Members,

There is urgent County work you should be prioritizing. Quit wasting time crafting measures to restrict voting access.

Your efforts are neither creative nor transparent and will hopefully be found in violation of our County Charter.

Prohibiting County employees or contractors from transporting or handling drop boxes and/or pick-up of ballots is like telling your teenager they can use the car anytime it's available and then not giving them the key.

Prohibiting use equals banning regardless the specific words chosen to accomplish this end.

Again, Do NOT disenfranchise voters by basing decisions on lies and conspiracy theories.

"Opinion is really the lowest form of human knowledge; it requires no accountability, no understanding.

The highest form of knowledge, according to George Eliot, is empathy, for it requires us to suspend our egos and live in another's world. It requires profound, purpose-larger-than-the-self kind of understanding." - Bill Bullard

Cordially,
Claudia J. Glennan, Cdr. USNR-R
Salem Township
