LUZERNE COUNTY COUNCIL WORK SESSION Video/Teleconference via TEAMS August 11,2020  
10.Discussion regarding resolution to Reprimand the County Councilman Walter L. Griffith, Jr.

Thank you Council

Walter was elected by citizens of this county to STOP the corruption to get his eyes and ears BACK on what was is happen in the county!! Council trying to silence him is a violation of the first amendment and a violation to EVERYONE in this county.

Everyone of you should in this day in age have a social media account to keep us informed of what is going on and be able to express your thoughts. Just as the President of the United States does!!

This is a childish attempt by Matt Vough (whom I voted for ) to take the citizen's eye off the ball. Lets get to work guys!! AND have transparency and END the GOOD OLD BOYS Club and Start working toward Equality for all, not TAXING our seniors out of their homes, and cleaning up all the EVIL DOERS in our County AGENCIES !!!! Ephesians 5:11 "Take no part in the unfruitful works of darkness, but instead expose them. "

I'm Sorry Walter Griffith !! I am sure that Matt Vough took my post to try to use against you!!! SORRY I am a Woman and I can talk about why I voted for women in this county and how they are NOT doing what they said to get elected!! I vote CROSS PARTY lines I VOTE for the person and their platform, THEN I vote on performance. I tagged Matt Vough WHO UNTAGGED himself Because I voted for him and he too is a disappointment so far, I was explaining MY VOTING!! I brought up Gender !!!

MY BIGGER QUESTION IS " WHO FED (leaked) Internal emails TO THE PRESS ?? THIS SHOULD BE INVESTIGATED as they need to be reprimanded ?!!!

Thank you  
Beth Hartman

Beth,

I'm assuming you never tagged me in that, because I don't remove tags. Attached are some of the other posts and comments you tagged me in so there is evidence that I don't.

Thanks and have a great day.

THE only things I accused YOU of personally was starting the email chain that morning.. and untagging yourself in my post THAT MORNING! Here is a screen shot of that PROOF. I have been dealing/witnessing/trying to assist citizens with corruption since KIDS FOR CASH.

I know better to state something without proof BELOW is the proof. I can attach the TIME STAMP of the photo of the post if you wish ?

Have a GREAT DAY looking forward to sessions this evening.

I do not believe the county can receive attachments quickly so included in the body of the email but I will resend as an attachment so I make sure my response is seen.

...edit at end •• Hate it when I am wrong.. but not to proud to say.. I voted for the 2 edit 3 Wrong people for county council.

I don't know what they're thinking with the way they are voting on things!! I'm a Democrat and I'm tired of the good old boys club so I voted for women...after watching some of what they were saying when they were running (platform ) I thought they could break up the Luzerne Counties GOOD OLD BOYS CLUB!!

Apparently I didn't pick the right women!! Lesson learned they won't get my vote next time!!

Here's edit Matt Vough this includes you I voted for you because of your platform I went to meetings over at Wyoming seminary and listened to you everyone speak and I thought a young person on county council would understand the needs of the elderly I was wrong apparently on you too!!!

I'm a Democrat but I don't vote party lines I vote the person!!!!

Beth,

This resolution was brought to council by Councilwoman Radle and Councilwoman Mcdermott? please get your facts straight. You have tagged me on many Facebook posts/comments in the last week and I haven't untagged myself in any of them? maybe take a look?

If you feel like there is a "GOOD OLE BOYS CLUB" please report your findings of corruption to the DA's office and they will investigate? Please share your proof with them?

I never mentioned gender in my email to Councilman Griffith or included the press on the emails? so once again check your facts, it seems like you are being fed the wrong information. I would be happy to talk through this with you, just reach out.

So just to recap

- accused me of untagging on the many, many posts - check again please. I just went through your page and I am tagged in everything I see
- accused me of bringing this "childish" resolution to the agenda - check again please
- accused of corruption - please bring your findings to the DA's office
- accused of mentioning gender in my email to Councilman Griffith - check again please
- accused of sending the email or copying the email to the press - check again please

I would love to talk more about this with you because I am being accused of a lot here with little to no proof, again.

Thanks,

Matt Vough
