Name/municipality:
Dave Macekura, Wilkes-barre.
Topic:
Public hearing (amend admin code BOE drop boxes)

This attempt to make voting more difficult by county republicans is partisan nonsense and once again making life more difficult for working class people.

If this Republican led council wants to go on record as having made yet another important facet of life for county residents, by all means, add it to the growing list of reasons why you're all going to be held accountable next round of elections.
