I, Donna dePrisco, Hazleton, PA, Luzerne County am **OPPOSED** to the purchase of the Runbeck Mail Ballot Sorting System and Licensing Agreement currently under consideration by Council. I am also **AGAINST** the purchase due to cost factors. Any such purchase should be on a bid basis. It has been reported these machines have malfunctioning issues. This alone should raise concern. Seems like this purchase is being rushed. Why? Council should consider hiring staff to do physical counting. I must say Council should **VOTE NO** on this subject.
