I ask that this emailed comment be entered as part of tonight's session.
I ask that Council NOT pass a resolution Authorizing the County Manager to Execute a Contract with Runbeck Election Services for the Purchase of a Mail Ballot Sorting System and Five Year Licensing and Service Agreement.

This is a reckless and irresponsible use of our county funds. Particularly since the grant is conditional, not guaranteed. It is also a liability since this major purchase was not put out to bid to other contractors tors. There are better, more fiscally responsible options for the citizens of Luzerne County.

Just ONE of the Silent Majority,
Cynthia Howe
