Luzerne County Council Emergency Voting Session, November 17, 2022

To whom it may concern,

My name is Brian Dugas and I am from Wyoming, PA. I am writing to you because I am concerned about the election process in Luzerne County. As a volunteer poll worker and ballot transposer in the recent elections I have seen first hand how important it is to have fully trained and adequately staffed voting sites. The future of our country depends upon the ability of every citizen to have free and unhindered access to the voting process. This includes accessible drop boxes, the efficient dissemination of information, and the thorough training of election personnel. In order to do this effectively it is essential to have a fully funded and staffed election bureau. I strongly urge you to dedicate the time and resources necessary to make the Luzerne County voting process a positive example for others.

Thank you,

Brian Dugas
