Mr. Chairman

Greg Griffin from Swoyersville..

As a member of the WilkesBarre Area Citizens Blight Committee we have been cleaning up blighted areas the last 14 months where illegal dumping is occurring all across Luzerne County.

We understand that there is a Blight Committee on the Luzerne County Council.

In the last 14 months our members continually ask what is the Luzerne County Council Blight Committee doing?

Can you tell all of us what the County Blight Committee has accomplished in the last year?

Luzerne County is getting destroyed by illegal dumping .. please do something Sir...

Thank You Greg Griffin. 570 2396244
