Attachments: Luz Cty Retirement Fund Performance Crude Rate of Return Analysis 5.10.17.xlsx

Linda,

Attached is a very simple comparison of the Retirement Fund performance for 7 years: 2007 - 2013.

I cannot find any Morgan Stanley reports of the Fund's performance for 2014, 15 or 16 on the county's website. Do you know if the Morgan Stanley reports with that info are posted there?

If not, is there an easy way to obtain those figures so they might be added to this very crude comparison? Should I speak with Rick Hummer or Rich Hazzouri?

Thanks.

From Times Leader

Nin's lawsuit alleges the only way the malpractice lawsuit could have been filed was through information illegally disseminated by Children and Youth who, rather than exercising its duties with transparency and respect, operated with "contempt, collusion, secrecy and obstruction."

Chair Houck,

Why is County Council kept in the dark about this lawsuit against Luzerne County and Luzerne County Children and Youth which involves a young child 7 or 8 months old?

Carolee Nin filed the lawsuit about her daughter.
