Subject: Requests for water bills for each month

Chair,

I appreciate the copy of the delinquent water bill which was provided to Council on Tuesday evening.

Now I would like an answer in writing from Manager on his provided information.
The typed list where a notation was made citing a leak, who generated that information?

Also in writing please verify it was employees who forgot to turn off the water and not a cracked pipe.

Also, verify in writing, it is the the line used to clean off mud.

I am now requesting the copy of the water bill from

	Size
Meter no. NO33303661	3"
Meter no NO70203661.	5/8"

For each month below:

Nov. 2015
Dec 2015
Jan. 2016
Feb. 2016
Mar. 2016

Thank you,

Kathy Dobash

How about 10:15 on 8/15, Gene Kelleher? That time works for me as well.
