We believe that our audit provides a reasonable basis for our opinions.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the COUNTY OF LUZERNE, PENNSYLVANIA's basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. In addition, we did not audit the financial statements of the Pension Trust Fund, which is both a major fund and 96%, 100%, and 100% of the assets, net assets and revenues of the reported Fiduciary Funds. Those statements were audited by other auditors whose reports has been furnished to us, and our opinion, insofar as it relates to the amounts included for that fund is based on the report of the other auditors.

Except as discussed in the preceding paragraphs we conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. The financial statements of the Luzerne County Retirement Fund, the Luzerne County Convention & Visitor's Bureau, and the Luzerne County Flood Protection Authority were not audited in accordance with *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered COUNTY OF LUZERNE, PENNSYLVANIA's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the COUNTY OF LUZERNE, PENNSYLVANIA's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the COUNTY OF LUZERNE, PENNSYLVANIA's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies, or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as described in the accompanying schedule of findings and questioned costs, we identified certain deficiencies in internal control over financial reporting that we consider to be material weaknesses.

Zelenkofske Axelrod LLC

Board of County Commissioners

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiencies described in the accompanying schedule of findings and questioned costs as finding 10-1, 10-2, 10-3, 10-4, and 10-5 to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the COUNTY OF LUZERNE, PENNSYLVANIA's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The COUNTY OF LUZERNE, PENNSYLVANIA's responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. We did not audit the COUNTY OF LUZERNE, PENNSYLVANIA's responses and, accordingly, we express no opinion on them.

This report is intended solely for the information and use of the management of Luzerne County, Board of County Commissioners, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

Board of County Commissioners
County of Luzerne
Wilkes-Barre, Pennsylvania

Compliance

We have audited the COUNTY OF LUZERNE, PENNSYLVANIA's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the COUNTY OF LUZERNE, PENNSYLVANIA's major federal programs for the year ended December 31, 2010. COUNTY OF LUZERNE, PENNSYLVANIA's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of COUNTY OF LUZERNE, PENNSYLVANIA's management. Our responsibility is to express an opinion on COUNTY OF LUZERNE, PENNSYLVANIA's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about COUNTY OF LUZERNE, PENNSYLVANIA's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of COUNTY OF LUZERNE, PENNSYLVANIA's compliance with those requirements.

As described in item 10-5 in the accompanying Schedule of Findings and Questioned Costs, COUNTY OF LUZERNE, PENNSYLVANIA, did not comply with requirements regarding cash management that are applicable to its Emergency Food Assistance Cluster. Compliance with such requirement is necessary, in our opinion, for COUNTY OF LUZERNE, PENNSYLVANIA, to comply with the requirements applicable to that program.

County of Luzerne
Wilkes-Barre, Pennsylvania

In our opinion, except for the noncompliance described in the preceding paragraph, COUNTY OF LUZERNE, PENNSYLVANIA, complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2010.

Internal Control Over Compliance

The management of COUNTY OF LUZERNE, PENNSYLVANIA, is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered COUNTY OF LUZERNE, PENNSYLVANIA's internal control over compliance with the requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of COUNTY OF LUZERNE, PENNSYLVANIA's internal control over compliance.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over compliance that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as discussed below, we identified a certain deficiency in internal control over compliance that we consider to be a material weakness.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 10-5 to be a material weakness.

Section II - Financial Statement Findings and Questioned Costs (Continued)

Finding 10-1

Fixed Asset Accounting

Criteria:	To ensure proper control, policies and procedures should be designed and implemented to make certain that all capital purchases, as defined by the County, are properly authorized, completely and accurately accounted for and, periodically substantiated via inventory counts, etc., where applicable. In addition, the policies and procedures should address the assignment of asset lives over which the assets are depreciated. Also, costs associated with capital projects of the County, such as building construction or improvements, should be completely and accurately accounted for as "work-in-process" until project completion, at which time the completed asset will be placed in service and depreciated.
Condition:	Fixed assets are accounted for as capital assets in the County's government-wide financial statements and are defined by the County as assets with a value of \$5,000 or more and \$25,000 or more for infrastructure assets. There is lack of support to perform adequate audit procedures over the reported amounts.
Cause:	There are no formal policies and/or procedures in place to ensure the completeness and accuracy of the County's fixed assets inventory and the related depreciation of these assets.
Effect:	We issued an qualified opinion on the fixed asset balances in the Governmental Activity financial statements.
Recommendation:	Management should develop and implement formal policies and procedures to ensure that fixed asset purchases are properly authorized, completely and accurately recorded and accounted for and, periodically substantiated. The policies and procedures should also address the assignment of asset lives and the tracking of projects that are completed over time (i.e. work-in-process).
Management's Response:	Fixed Asset Tracking will be performed by the Purchasing Department/Accounts Payable, as they are involved in each and every purchase for the County.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)
FOR THE YEAR ENDED DECEMBER 31, 2010

Section II - Financial Statement Findings and Questioned Costs (Continued)

Finding 10-2

Related Party Transactions

Criteria:	GAGAS requires auditor's to test related party transactions to determine that the transaction was consummated on terms comparable to those that would be present in arm's length-transactions. In addition GASB requires that certain material transactions be reported in the financial statements. Without a complete listing of related parties it is impossible to test related party transactions for fairness or report on certain transactions in the financial statements.
Condition:	The financial statements do not reflect the required related party disclosures.
Cause:	The County does not have an adequate method to track related party transactions.
Effect:	The County is at risk of related party transactions occurring that are not fair or appropriate. In addition, the County received a qualified audit report related to the omission of related party transaction information.
Recommendation:	In the future, the County should document and monitor all related party activity.
Management's Response:	The County will assess and implement procedures to adequately track all related party transactions.

COUNTY OF LUZERNE, PENNSYLVANIA
 SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)
 FOR THE YEAR ENDED DECEMBER 31, 2010

Section II - Financial Statement Findings and Questioned Costs (Continued)

Finding 10-3

Report Qualifications

Criteria:	The County is required to conform to accounting principles generally accepted in the United States of America.
Condition:	The financial statements of the adult probation fund were not audited. GASB Statement No. 51, "Accounting and Financial Reporting for Intangible Assets and 53, "Accounting and Financial Reporting for Derivatives" have not been implemented. A liability for postemployment benefits has not been recorded. The financial statement of the County of Luzerne Self-Insured Workers' Compensation Fund did not disclose two year accumulation of changes in the aggregate liabilities for claims.
Cause:	The County has elected not to conform with accounting principles generally accepted in the United States of America.
Effect:	The County's financial statement opinion was qualified for the above listed conditions.
Recommendation:	The County should take the appropriate measures to ensure their financial statements are in conformity with accounting principles generally accepted in the United States of America.
Management's Response:	The County is currently assessing the procedures and will take the appropriate measures in the future to conform to accounting principles generally accepted on the United States of America.

COUNTY OF LUZERNE, PENNSYLVANIA

Section II - Financial Statement Findings and Questioned Costs (Continued)

<u>Finding 10-4</u>	<u>Guaranteed Debt</u>
Criteria:	GAAP requires that certain guaranteed debt information be disclosed in the financial statements.
Condition:	The financial statements of the County do not include debt guaranteed by the County.
Cause:	The County does not maintain the proper documentation to report on guaranteed debt disclosures in the financial statements.
Effect:	There are additional obligations of the County that are not reported in the financial statements and as a result the County received a qualified audit opinion.
Recommendation:	County management should prepare a listing of each organization in which the County has a guaranteed debt. In addition, the County should be monitoring these organizations to determine if there is an increased risk that County may be liable for debt payments.
Management's Response:	The County will assess and implement procedures to adequately document and track guaranteed debt obligations.

COUNTY OF LUZERNE, PENNSYLVANIA
 SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)
 FOR THE YEAR ENDED DECEMBER 31, 2010

Section III - Federal Awards' Findings and Questioned Costs

Finding 10-5

Cash Management

10.568/10.569 Emergency Food Administration Cluster

Criteria:	In accordance with OMB Circular A-102, the County should minimize the time elapsing between the receipt of Federal funds and the disbursement of funds to its subrecipients for program purposes.
Condition:	During our testing, we noted that one of the four grant receipts tested for the program was never remitted to the subrecipient.
Cause:	This was an oversight on the County.
Effect:	The County's internal controls over cash management were not operating effectively which caused noncompliance with OMB Circular A-102 cash management requirements.
Questioned Costs:	Amount, if any, is undeterminable.
Recommendation:	The County should develop procedures to ensure that all grant funding received is remitted to the subrecipient in a timely manner.
Management's Response:	The County agrees with the finding and will implement procedures in the future to correct it.
