Dear Mr. Morelli,

We have reviewed the records underlying the accompanying financial statement of District Court 11-3-05 Luzerne County Pennsylvania, for the period January 1, 2013 to March 31, 2014. This financial statement is the responsibility of the District Court's Management.

Magisterial District 11-3-05 includes the following Municipalities:

Foster Township                      White Haven Borough  
Jeddo Borough                      Freeland Borough                      Penn Lake Park Borough

We did not conduct our review in accordance with generally accepted auditing standards and Government Auditing Standards, issued by the Comptroller General of the United States. Those standards would require that we plan and perform our audit to obtain reasonable assurance about whether the financial statement is free of material misstatements. Therefore, although the auditor may have obtained reasonable assurance that the records are free of material misstatements; a material misstatement may have remained undetected.

Compliance with laws and regulations applicable to the District Justice system are the responsibility of the District Justice management. As a part of obtaining reasonable assurance about whether the financial statements are free of material misstatements, we performed test of District Court 11-3-05 compliance with certain provisions of laws and regulations. However, our objective was not to provide an opinion on overall compliance with such provisions.

The results of our tests indicate that, with respect to the items tested, District Court 11-3-05 is in compliance, in all respects, with the provisions referred to in the preceding paragraph. With respect to items not tested, nothing came to our attention that caused us to believe that District Court 11-3-05 had not complied, in all material respects, with those provisions.

Very truly yours,
