RE: Records Request Pursuant to the Right-to-Know Law (OOR Tracking No. 814.2017)

Dear Ms. Koester:

Thank you for writing to the Office of Open Records. I have reviewed your Right-to-Know request received on November 9, 2017 in which you seek records pertaining to Electronic Monitor Programs in Luzerne County.

Your request is **misdirected**. The OOR does not possess, maintain or control these records. The OOR decides appeals of denied requests for records, and is not a general repository of records. You must submit your Right-to-Know request directly to the agency that may possess the records you seek. In this case, Luzerne County may possess these records. Their Open Records Officer can be contacted at:

Jackie Musto Carroll, Esq., Open Records Officer  
Luzerne County  
200 North River Street  
Wilkes-Barre, PA 18711  
Phone: 570-825-1598  
Fax: 570-825-6355  
E-mail: Jackie.Carroll@luzernecounty.org

We have copied the agency or agencies on this letter and included a copy of your request, 65 P.S. § 67.502(b)(1). However, you must file a new request with the agency or agencies. The OOR's forwarding of your request does not trigger any timeframes in the RTKL or require a response from the agency or agencies.

If you choose to interpret this response as a denial, or have specific reasons to believe that we have asserted non-possession in error, you may appeal to this office, at the below-referenced address, within 15 business days of its mailing date. This file is now closed with the OOR as permitted by law.

Sincerely,

George C. Spiess  
Open Records Officer

To whom it may concern,

My name is Shelby. I am a student at Robert Morris University. Currently, I am conducting a study on electronic monitoring programs throughout the U.S. I have found that obtaining public documents regarding these programs is of the most use to me. I am not having immense amounts of luck via the web portal and hope you may be able to further assist me.

Under the freedom of information act I would like to respectfully request a copy of the current **RFP, BID responses, and Awarded Contract** for the Electronic Monitoring Program(s) (GPS/RF Electronic Monitoring/House Arrest for adults or juveniles through probation, the sheriff's department, or another government entity) currently operating in Luzerne County, Pennsylvania.

Thank you,

Shelby Koester
