Jane : Please accept my apologies. My wife gave me hell as she wanted to know why I was not answering you when you were speaking to me. I am deaf on my left ear and I did not hear you on my other. The background noise with a hearing aid ,more often than not, picks up more surrounding sound than I would like.

Thanks in advance of your accepting my apology..

Sincerely, Edd

I wish take this opportunity to thank you for accepting my physical absence at the meetings. I am making every effort and trying every means to be present soon. My health condition precludes many activities, and has me confined.
