Yes, the properties for auction for the work session. Are we going to need a resolution prepared for the July meeting, if council agrees to the sale of the properties?

Attached is the draft from my files. Although there was discussion on some language, these are the changes that I have recorded as of the last meeting I attended. Mr. McGinley and Mr. Kelleher should review this document in the light of their June 5 meeting for accuracy.

The language changes are in red as tracked changes. If they do not show up that way when you open the document, please let me know.

Mr. McGinley and Mr. Kelleher,

I regret to inform you that I will be unable to attend today's Code Review Committee meeting due to a health issue.

Since the solicitor has informed us of management's recommendation regarding the Personnel Code, i suggest that you finalize the proposed changes to that Code this afternoon and begin discussion of Ethics, since you will still have a quorum without me.

The proposed Personnel Code changes could be discussed on June 12 work session then.

Thank you in advance for your indulgence of my absence today.
