Mr. Chairman,

Could you please add "CCAP Fall Meeting Report" to the next work session agenda? It will not take more than five minutes, and I have handouts premade

Thank you,

Harry

Subject: Resolution

Hi Sharon,

I asked Romilda to prepare a resolution regarding funds to be set aside for River Front plantings and control of Gypsy Moth and other pests. I did not see it in the packet. Was it sent to you?

Best

Jane
