Subject: Small Games of Chance

Dear Open Records Officer,

Will you kindly send me the county's list of all organizations who are licensed to offer small games of chance? I understand that certain types of these organizations must donate some of their revenue to non-profit organizations. I would like to approach them to see if they would be interested in donating to my non-profit organization. I realize that I will not be able to readily distinguish which of the licensees are the type that must donate, but I will figure that out somehow.

Thank you very much for your efforts.

Respectfully,

Sandi Bornman
