

# “ICS on the Road”

Luzerne County EMA is coming to your area to present the following class:

## G402 Emergency Management for Municipal Elected Officials and Officers

This unique Luzerne County oriented class is an introduction/refresher to the Incident Command System (ICS). We will explain what ICS is and what the roles and responsibilities of the municipal elected officials and their officers are during an incident. Topics discussed will include, but not limited to, basic ICS terminology, incident size and complexities, the responsibilities of the local Emergency Management Coordinator, the difference between on-scene incident ICS organizations and the activities accomplished by the Emergency Operations Center(s), administration obligations, financial activities and reporting, and the responsibilities of the on-scene Incident Commanders.

**Participation in this class will fulfill your municipalities NIMS compliancy requirement!**

**There will be TWO offerings per day. Please choose either:**  
First class: 1 – 3:30pm or Second class: 6 – 8:30pm
