**Subject:** Tuesday 12/3/2019 Meeting

Council Members,

The work session will be first on Tuesday. The reasons for this change is that the retirement board members have a meeting at 4 PM. The Financial Manager and Actuary will be present for the work session to make a presentation and answer questions from council members. This will allow the presenters to make their presentation and not have to wait until after voting meeting.

Also, in the discussion about budget amendments in the work session, any amendments could be voted on in the voting session if the council desires.

Tim McGinley
