The Handbook

Need to know something? Review your participant handbook.

When you first come into the program it can be very overwhelming. You may have been waiting for quite some time and the day is finally here for acceptance. You likely have met several or most of the team members and the amount of information can be overwhelming.

The Treatment Court handbook has everything you need to know. And if it's not in there, it has the phone numbers of the people who do know and that can get you the information you need.

It is suggested, if not expected, that you read it cover to cover so you are well aware of all of the rules, regulations and all of the pertinent aspects of the program.

You are responsible for all of the information in the handbook.

If you have any questions, please reach out to team members as soon as possible

**Stay “off the hook”,
read your book!**
