Dear Members of the Election Board,

My name is ROSA MCCRACKEN, and I was a write in candidate for the Two Year Term for the West Pittston Borough Council. It has come to my attention that there are variations of my name that were typed by those who were casting a vote for me. Those variations may appear as ROSE MCCRACKEN, ROSA MCKRACKEN, ROSAMCCRACKEN (with no space between) or ROSIE MCCRACKEN. I would appreciate your consideration in allowing the votes with the variation in the spelling to be accepted in the count. Thank you in advance for your consideration in this matter.

Respectfully,

To whom it may concern: I Carmen Mangino, an adult individual residing at the above address, do hereby intend to run as a candidate in the 2015 election in Swoyersville Borough, Ward 2, County Of Luzerne, Commonwealth Of Pennsylvania. I am a registered voter in said location/address. I am a Democrat. To the best of my knowledge and belief my name listed on my voter registration card is; Carmen T. Mangino. The T is my church given baptismal name. My church confirmation name is W. for William. My name is listed as Carmen Mangino on my government issued identification(s) however due to change of religious affiliation, I no longer utilize the initial T which represented Thomas, nor the W. which represented William. The only other names/aliases in regard to middle initial(s) were, or will be D, S, I, and/or A. These are church given, and not at the present time issued by any government agency. I am uncertain at this time whether or not I will, if able to, utilize a middle initial or full version of initial on the ballot. If I were it would be either A. or in full as Anatolyevich, or S. for Sergei. If there are any questions or concerns, feel free to contact me at (570) 762-3560. Sincerely, Mr. Carmen Mangino
