Good Morning Laura Dennis,

I am requesting a Right to Know on behalf of the Salem Township Supervisors for the Call Logs for the Salem Fire Department from Oct.2019 thru Oct 12th 2020.

I need all dispatches for station 174 and all assists for apparatus to and from Salem to adjoining Municipalities.

We are trying to get a better handle on Support from the Fire Department for Requests or them and additional Units that provide assistance to our Township.

Any information would greatly be appreciated so we can see who is responding into our Township from other Municipalities.

You can send this information VIA Email if that is best.

Any questions please feel free to reach out to me.

Thank you in advance,
Frede Fransen
Salem Township Supervisor
