RE: FREEDON OF INFORMATION Act (FOIA) / RIGHT TO KNOW

March 28, 2022

Dear Walter,

This matter is within your realm of knowledge. In addition, as a government employee you are a public servant. This request is under is under the Sunshine Act 5 U.S.C. sec 552 (b), AND Title 65 Pennsylvania Statute. It also fall within the scope of both Constitution of the COMMONWEALTH OF PENNSYLVANIA and the UNITED STATES OF AMERICA. One of the jobs of the PENNSYLVANIA SUPREME COURT is to make sure that the laws passed by the legislator are constitutional. If a code, regulation, statue has not been vetted as being constitutional it is without effect and void. It does not have to be followed.

I require copies; of the Pennsylvania Supreme Court, acknowledgment that the following legislated codes are constitutional.

1. Pa. C.S. Chapter 73 Standards for on lot sewage Treatment Facilities is constitutional.
2. The code/regulation for the requirement of subdivision of property with two or more building.

There is a 10-day requirement to respond under the (FOIA). Failure to respond is your tactic acknowledgement that the vetting of these legislative act have not met the requirement to be Constitutional and thus have no effect. Thus, this become our bilateral contract that County government is operating outside of its charter in regards to the two points above.

Sincerely,

Without Prejudice A.R.R.
