

**Luzerne County Processing/Disposal Facility
Petition Form to Use a Non-Designated Facility**

Purpose of Petitioning Process – Luzerne County has secured a sufficient amount of disposal capacity for all municipal waste generated from County residents and businesses. However, the County's Plan has defined a process by which a hauler or municipality may be able to use another facility not designated in the Plan Update. This form is used to notify the County Manager of a party's interest in using another facility and to provide the Manager with the necessary information to contact a facility representative to determine whether the facility is legally permitted and operating in accordance with the provisions of its permit. Upon receipt of the Petition Form, Luzerne County will send the facility a Submittal Form that must be completed and returned to the Luzerne County Manager. Please complete this form and forward to the:
