# HELP US, HELP YOU!

Professional Recyclers of Pennsylvania (PROP) is trying to gain insight and develop sustainable practices to manage recycling in Pennsylvania Schools. Our goal is to reintroduce education on recycling and to show the environmental and economic benefits of recycling.

## Environmental Benefits

-  Conserving Raw Materials/Natural Resources
-  Saving Energy
-  Reducing Landfill Space
-  Reducing the Amount of Harmful Greenhouse Gases Created

## Economic Benefits

-  Creating More Jobs
-  Reducing Waste Disposal Costs

## HELP US

Provide some information regarding current recycling practices taking place in your school by completing a short survey. To be entered into a prize drawing complete the survey by November 30, 2022. Please submit one application per school. Applications will continue to be collected until May 15, 2023 but will not be included in the prize drawing after November 30, 2022.

Complete the survey online:

<https://forms.gle/EGSQhJeodH2T4f8z8>

## HELP YOU

We will use those surveys to work toward creating a model program that could help provide suggestions on implementing best recycling practices in your school.

### How to Enter the Prize Drawing

Complete the survey and the school will be entered into a drawing in which we are giving away one of each of the following prizes, Technical Assistance Consultation to help improve your recycling program (\$7,500 value) or up to \$5,000 to help create a Green Space for your school. Survey's must be returned by November 30, 2022 to be entered into the drawing.

- Technical Assistance – Consultation for the school to improve their recycling program – **Valued at \$7,500**
- Green Space – Receive \$5,000 to create or add to a current green space at your school – **Valued at \$5,000**
