**Luzerne County Municipal Waste Hauler Registration Application**

The Luzerne County Solid Waste Management/Recycling Department is the implementing and enforcement agency of the Luzerne County Municipal Waste Management Plan (the Plan), the Luzerne County Municipal Waste Management Ordinance (the Ordinance) and the Luzerne County Municipal Waste Management Rules and Regulations (the Rules and Regulations). All regulated waste haulers are required to register with the Recycling Department for the collection, storage, transportation and disposal of regulated waste to a county designated facility. The sticker shall be affixed onto your vehicle as to identify you as a registered waste hauler to access entry at a designated facility. All transporters of regulated waste must be in compliance and remain in compliance with the requirements of Act 97, Act 101, the Plan and the Luzerne County Ordinance. These laws are enforced to ensure, maintain and protect the health and safety of the general public and the environment.
