

RESOLUTION R-2012-105
LUZERNE COUNTY COUNCIL

A Resolution by the Luzerne County Council Authorizing the County Manager to Execute Supplemental Engineering Agreement No. 048692-B with PennDOT and Borton Lawson Engineering to Complete the Environmental Modifications Required for the Replacement of County Bridge No. 24001, Breaker Road in Hanover Township.

WHEREAS, Luzerne County Road and Bridge, through the County Engineer's Office, is completing the replacement of County Bridge No. 24001, Breaker Road in Hanover Township; and

WHEREAS, the project has been in the construction phase for over a year and has been affected by the high levels of heavy metal due to the contamination contained in Solomon's Creek causing the condition to require modification of the work scope and permit documents by the project design, Borton Lawson; and

WHEREAS, the net increase of the project is \$26,717.32 (cost increase from \$405,188.04 to \$431,905.36) with the financing for the project being provided by 80% Federal, 15% Commonwealth, and 5% County funds which will come from the Commonwealth's Act 26 program;

NOW, THEREFORE, BE IT RESOLVED, the Luzerne County Council approves the authorization of the County Manager to execute on behalf of the County of Luzerne the Supplemental Engineering Agreement No. 048692-B with PennDOT and Borton Lawson Engineering to complete the environmental modifications required for the replacement of County Bridge No. 24001, Breaker Road in Hanover Township.

ADOPTED at a meeting of the Luzerne County Council held on December 11, 2012.
