

Sponsored by the  
Luzerne County Department of Probation Services, Juvenile  
Division

Community gardening is a healthy, inexpensive activity for youth that can bring them closer to nature, and allow them to interact with each other in a socially meaningful and physically productive way. Community gardens offer unique opportunities to teach youth about:

- Where food comes from
- Practical math skills
- Basic business principles
- The importance of community and stewardship
- Issues of environmental sustainability
- Job and life skills
