Good afternoon Jackie;

Here is the info you requested.

A. Baloga, C. Buonaiuto, and P. Decker are all still pending and will not be available for awhile. Edward Lech is a NATURAL death. Thomas Long, I have no record of him. Possibly he was not a coroner care.

If you need anything more, just let me know. We are in the process of moving and some of the records are already packed in boxes. We should be moving by the end of this week.

Mary
