Ms. Houck & Mr. Kelleher,

I contacted Lancaster County for SB & Company. The audit manger at Lancaster County was very complimentary about the firm and very happy with their work and timeliness.

I contacted Northampton county and I am waiting for someone to get back to me. The person was out of the office for a few days.

I am hoping that they will be in contact by the end of the week.

Linda,

On 10/19/2016 I asked if you could find out from Mr. Pedri why the FY2017 Position Budget line items for Salary and Benefits are different then the New Position Proposal by an est. of \$80,000 or more. Comparing the New Position Budget line item with the Position Budget line item, two difference numbers. Why?

Did Mr. Pedri sent out the Power Point review he did at the last meeting? I did not receive one. Thank you,

I ask to get a copy of the FY2015 Budget with the results. Would you please ask Mr Pedri when I will be getting this document? Also, he said he would be sending Council the Power Point review he discussed at the last meeting. Will you please ask him when we will be getting this? Lastly, I reviewed the FY2017 Position Budget and the New Position Proposal. Why are they different by an est. of >\$80,000 in the Salary and Benefits Area. The New Positions Totals are less. Would he please give me an answer? Thank you, Eileen

Tim and Rick,

Geisinger invited me to a community luncheon on Thursday from 11:30am to 1:30pm at the Wyoming Valley Country Club. They would like to discuss views and updates on health care and community issues.

I called up there today and secured invitations for you as well. Please let me know if you would like to attend – we could go down together right after the airport meeting

Manager Pedri,

Some thoughts for the Casey's:

1. Any security concerns. Location in relationship to the prison.
2. Any valid cost estimates for the renovation.
3. Source of funding for the proposed program.
4. Provisions that must be approved in order for the sale to be finalized.

Thanks,

Dave,

I'd very likely be supportive of the sale if the Caseys placed significant funds in an escrow account that would be returned to them if the certificate of occupancy were issued within a clearly specified time period otherwise it would be forfeited to the county.

I don't think its appropriate for the county to verify that the cost of necessity work is within the resources of the Caseys.

Gene's concern of objects being thrown over the prison fence is real but I think that is independent of the Caseys' ownership of the building. I think that's a county issue that may need to be addressed regardless of who owns or occupies the property.

Good luck.

Rick
