Subject: discussion on changes in charter

Dear Chairwoman Houck

I request some time during the worksession to discuss items council could change in the charter that would have positive results. I think a starting point would be based on Mr. Brominski's comment about Mr Reino. I understand the writers of the charter were trying to eliminate conflicts; however, there are good people who are not allowed to serve on ABCs who would be an assets to the county because of perceived work or political conflicts. Jim Reino would be an assett to our county ABCs. Is there a change we could make that does not change the structure of the charter? My hope is that this could be a starting point to improve the charter.

ABC Chairman McGinley;

Is there a reason why Richard Long is not on the Edibility List(Jan. 29) for the Tax Appeals' Board. He was interviewed within a year, same time as Fred Javer. I have to use my personal email since my county account is inactive. Thank you, Eileen

I need to present the annual "state of the county" report by the end of February. Could we do it at the February 23 meeting?

Ms. Chair,

Regarding the Legislative Committee, Kathy Dobash has indicated to me in an email from her private account that she does not wish to serve because of the personal issues she has with me.

I have not heard from Mr. Urban yet. I think his idea about lobbying for greater financial support from the courts should be priority number one of the committee and that it should meet before next meeting.

Because of this vacancy, could you ask the council to have at least one more volunteer member step forward so that the committee can meet at 5pm before the February 9 meeting?

Thank you,
Harry

Kathy and Steve,

How is your schedule for having the first Legislative Committee on Tuesday, Feb 6 at 5pm before the regular council meeting? It will cut down on an extra night's worth of meetings.

Thanks,
Harry

Subject: No Strategic Initiatives Committee meeting tonight

Committee members,

I didn't ask Sharon to advertise that our committee planned to meet tonight so we can't legally meet.

I've asked Sharon to schedule a meeting for 5:30pm, Tuesday, February 9th and to place the appropriate newspaper ads.

Sorry for the confusion.
